Shuttle Ticket Information

VA Northern California Health Care System provides shuttle transportation free of charge to accommodate veterans with scheduled appointments. This service is provided on a first-come, first-served basis. Only patients may ride the shuttle, unless arrangements are made by a physician for an attendant to accompany the patient. Individuals under the age of eighteen are not authorized to ride the shuttle.

Patients wishing to use this service must make reservations in advance with the Travel Clerk, Front Desk or Main Reception. Once the reservation has been made, a round trip ticket will be issued. Riders must present the ticket to the shuttle driver before boarding.

If you do not plan to return on the VA shuttle, please inform the driver before getting off the shuttle, and remember to return your ticket to the driver. If, during your clinic visit, you decide to return by another means, make sure to return your ticket to the Travel Clerk, Front Desk or Main Reception. This will assist the driver in verifying patients returning on the VA shuttle. For more information, or to reserve a seat on the shuttle, you may visit the Travel Clerk, Front Desk or Main Reception, or call one of the numbers listed below.
