CHICO, Calif. — VA Northern California Health Care System (VA NorCal) will host a Veterans Town Hall in Chico, 5-6:30 p.m., Wednesday, March 20, at the Fraternal Order of Eagles Hall at 1940 Mulberry Street. VA NorCal invites Butte County Veterans to discuss the new Chico VA Outpatient Clinic. Local Veterans organizations and credentialed media are invited, as well.

“We’re fast approaching the day when we’ll open the doors of the new VA outpatient clinic in Chico,” said VA NorCal Associate Director John Hinson. “The new clinic offers not only more space, but more services to meet the health care needs of Butte County Veterans. It’s vital we hold a public forum where we can dialogue with our Veterans and their families and caregivers.”

WHAT: Chico Veterans Town Hall
WHO: VA Northern California Health Care System
WHERE: Fraternal Order of Eagles Hall at 1940 Mulberry Street in Chico
WHEN: 5-6:30 p.m., March 20, 2019

About the new clinic:

The Chico VA Outpatient Clinic will serve more than 9,000 Veterans when it opens in early summer. At about 42,000 square feet on seven acres of property, it will be roughly twice the size of the current Chico clinic. In addition, VA NorCal has begun work on a new Redding VA Outpatient clinic, which will be a 77,000 square-foot facility and replace the current 48,000-square foot clinic. The Redding clinic will open to Shasta and Trinity county Veterans in 2021.
